
**A Review of Information Governance
Best Practices and Approach**

Wednesday April 13th, 2016
11am -12 noon (Malaysia) / 8:30am – 9:30am (Mumbai)

AIIM India and AIIM South Asia cordially invite you to our joint presentation on Wednesday April 13th, to the current status and approach towards Information Governance. Information Governance remains one of the critical areas of ECM strategies and solutions today. Our speaker, Mr. Robert Larrivee, Vice President of AIIM International, is a foremost expert in the area of Information Management, as it relates to both public and private sector opportunities.

Mr. Larrivee will address the strategy and planning of Information Governance and the features, functions, and benefits of a comprehensive Information Governance program which can be readily implemented in your workplace today.

Please see the registration information below.
